

OPERMART data sheet

Product code:	20240122	Condition:	Used	Positive feedback:	0 % Positive feedback
Brand:	Bartec Varnost	Category:	3 Phase	Return policy:	NO
Total:	-29	Seller ID:	farha4OSZW	Guarantee:	NO
Price:		Seller store:		Fire Zone:	NEC505 Zone 22 * AEx o IIIA T6 Dc

Short description: saf

General data	Electrical data	Mechanical data
Cooling type	Cold start number	Lubrication
Lifting Lugs	Voltage fluctuation	shaft length
Feedback Device	Frequency fluctuation	Brushed -Motor Type
life time	Temperature class	Terminal box position
Mounting	Service factor	Direction of rotation
Body Material	Space heater	Duty cycle(Type of duty)
Factory location	Rated Voltage	Number of speed
Year made	Number of Phase	Rear Shaft
Rotor weight	Number of poles	Position of main cable entry
Frame size	Rated frequency	No load Noise (SPL 1 meter)
Serial number	Rated Speed	BRAKE
Electrical data	Rated Current	DE bearing
Winding Type	Rotor voltage	NDE bearing
Dielectric Strength	Rotor current	Shaft type
Phase winding resistance	Input power	shaft diameter
Phase winding inductance	Rated torque	Paint color
Lead Length	Locked rotor torque	Temperature winding protection
Rated slip	Breakdown torque	Temperature Bearing protection
Rotor inertia	Connection type	Mechanical Bearing protection
Detent torque	Starting method	Cable gland size
Locked Rotor Time (Cold)	Insulation class	Environmental data
Locked Rotor Time (Hot)	Efficiency class	Altitude ? ASL
Rated power	Efficiency (%)	Design Humidity
Torque Constant	Power factor	Enclosure Protection
Ground Lug	Mechanical data	Operating Temperature
Excitation Power	Temperature rise	Maximum Case Temperature
Excitation current	Bearing type	Humidity Range (%)
